

Event Vetting

Government employees, particularly high-level officials like United States Attorneys, are subject to ethical restrictions governing the types of events they may attend. Some restrictions relate to benefits, including luncheons, dinners, awards, and tokens of appreciation they may accept. Other restrictions relate, among other things, to participation in events that are sponsored by persons who do business with or lobby the Government; that have a fundraising component; where it may appear that official attendance is being used to promote the event or the sponsor; or where elected officials may be in attendance. To assist us in vetting compliance with government ethical restrictions, we would appreciate it if you could provide the following information. If you do not have specific information for each response, please provide such general or descriptive information as you currently have. Please do not hesitate to call the Office's Government Ethics Advisor, (b)(6), (b)(7)(c) to discuss this.
